

BIMUN DRESS CODE

This document contains the dress code that every participant should obey during the Fundación Colegio Bilingüe de Valledupar Model of the United Nations, BIMUN. It should be clarified that the Dress Code seeks to guide both delegates, sponsors, observers and others present, in their personal appearance by mentioning appropriate and inappropriate clothing in this educational environment, as well as offering practical suggestions to project a diplomatic image that generates confidence, professionalism and maturity.

GENERAL GUIDELINES

- The clothing must be ironed and clean.
- Make sure that the clothing combination is suitable for the event.
- Keep your hairstyle professional. Avoid using garish accessories.
- We recommend the use of neutral, dark colors, pastel and whites since these colors give you more seriousness. Please avoid using printed clothing or strong colors such as red, orange, yellow, etc. If you choose to use strong colors, please be discreet.
- The use of caps, *bermudas*, t-shirts, sleeveless blouses, short pants, or similar attire such as leggings, jeans or other informal pants, or any types of sports clothing, is not permitted. Shoes should be professional, tennis or flip-flops are not allowed.
- It is prohibited to remove your coat during the sessions. Including Speaker's List, Moderated and Unmoderated Caucuses. This can be reviewed with a Motion to Relax the Dress Code.

SANCTIONS

The breach of the Dress Code will have sanctions. The first time a warning will be issued, and the delegate will be informed of the flaws; the second time, depending on the severity, the person could receive a second warning or be asked to leave the event until everything is in order and in line with the stipulations.
